Subject Matters:

- Housing Issues & Eviction Proceedings (Representing Tenants)
- Child Support Advice
- Consumer Issues
- Social Security Disability
- Public Assistance
- Medicaid/ Medicare Issues
- Veterans Benefits
- Discharge Upgrades
- Character of Discharge Review

VA Service- Connected Disability Compensation: Initial Claims

LEGAL SERVICES
OF LONG ISLAND

VA Service-Connected Disability Compensation

Monthly tax-free monetary benefit paid to Veterans with disabilities that are the result of a disease or injury incurred or aggravated during active military service.

Compensation may also be paid for:

- Post-service disabilities that are considered related or secondary to disabilities occurring in service; and
 - Example: PTSD for a Veteran who served in the Gulf War
- Disabilities presumed to be related to circumstances of military service, even though they may arise after service.
 - Example: Agent orange presumptive condition such as Diabetes mellitus Type 2

Requirements for SCD

- Current disability;
- In-service incurrence or aggravation of a disease or injury (“in-service incident”); and
- Link or nexus between the in-service incurrence or aggravation of a disease or injury and the current disability.

Veterans Rights Project

Types of Initial Claims for SCD

- New claim for SCD
- Increase in rating
- Supplemental claim

Veterans Rights Project
