Please Support Legal Services of Long Island's Mission

For over 55 years, Legal Services of Long Island, formerly known as Nassau Suffolk Law Services has been committed to ensuring that vulnerable populations—such as low-income individuals, families, senior citizens, victims of domestic violence, veterans, and individuals with disabilities—receive the legal representation they need to protect their basic rights and life necessities. Our services include helping our clients maintain their housing, maintain access to public benefits and health care. We provide essential education advocacy and legal representation for special needs children, and support for those facing domestic violence. We also assist individuals with consumer debt issues, social security appeals, and more. Our clients often have nowhere else to turn, and our work is critical in helping them overcome legal challenges and secure their futures.

We invite you to support our upcoming Commitment to Justice Reception, a crucial event that brings together our community to champion free legal assistance for Long Islanders in need.

As you know, our mission to provide essential legal services is more important now than ever. Many individuals across Long Island are facing serious civil legal challenges but have nowhere else to turn. Your sponsorship can directly contribute to ensuring that these individuals receive the legal help they desperately need to stay on their feet and remain in our community.

We have various levels of sponsorship opportunities, and we are hopeful that you will consider supporting this vital cause. Every level of sponsorship will help us expand our efforts, enabling us to reach more Long Islanders with much-needed legal assistance.

With your help, we can continue our critical work to ensure that those who are most vulnerable in our community are not left without support. The Commitment to Justice Reception serves as an important reminder of how vital our services are in keeping Long Islanders safe, secure, and in a position to thrive.

Please let us know if you would be willing to support this event, and feel free to reach out to Cathy Lucidi, Director of Community Relations, 631 232-2400 ext 3324 with any questions about sponsorship levels or other ways to get involved. Your sponsorship would be a vital contribution to the success of this initiative and our mission and would help fund direct legal representation. All proceeds raised above the cost go directly to supporting our legal programs. Your sponsorship would help fund direct legal representation, counsel and advice, and providing general legal information to those in need. Your support would help ensure that vulnerable Long Islanders have access to the legal assistance they need to maintain basic life necessities and safeguard their rights. Thank you for your consideration, and for being a key part of our mission.
