

APRIL ADVOCACY TIPS

Summer EBT is a good benefit program that helps low-income families with school-age children buy groceries during the summer when children might not have access to school meals. The Summer EBT benefit is \$120 per eligible child and is only issued once. These benefits must be used within 122 days from the date they were issued. Benefits will begin issuing in June 2025. Although many students are automatically enrolled, households that are not enrolled can apply online on the Office of Temporary Disability Assistance (OTDA) website.

LSLI's Public Benefits Unit provides legal assistance to persons who experience problems with public benefits programs that are administered by the local Departments of Social Services, including:

Plan in Advance for Summer Food Security

- Welfare (TANF and Safety Net)
- Medicaid
- Food Stamps (SNAP)
- Child Care Assistance
- HEAF
- Emergency shelter for the homeless
- Unemployment insurance appeals and overpayments
- Other emergency assistance programs

We also assist low-income households in establishing Supplemental Needs Trusts to eliminate the Medicaid spend-down and assist homeless families in obtaining rent supplements from DSS to enable families to leave the shelters or retain permanent housing. Nassau residents can call 516-292-8100 and Suffolk residents can call 631-232-2400.

Cooling Assistance Benefit Now Open

As of April 15, 2025, New Yorkers can apply for the cooling assistance benefit. The cooling assistance benefit allows for the purchase and installation of one air conditioner or fan to help cool your home. For eligibility requirements and to apply, visit OTDA's website.

Avoid Home Loan Modification and Mortgage Scams

Loan modification and other mortgage scams are everywhere. Scam artists prey on unsuspecting homeowners who are facing the pressures of foreclosure. Every day, consumers are lured by the promise of a loan modification that they hope will help them stay in their homes. As a result, consumers are losing thousands of dollars and, in some cases, their homes. The New York
State Department of State Division of Consumer Protection takes complaints on these scams. If you or a client is in default, don't hesitate to get in touch with a local housing counselor. A list of each county's housing counselor can be found on the Department of Financial Services
website. If you or a client is in foreclosure, please contact LSLI's Foreclosure Prevention Unit.

LSLI's Foreclosure Prevention Unit provides free legal services to homeowners hoping to prevent foreclosure of their homes.

Services provided include:

- Legal representation at the various stages of the foreclosure process, including at mandatory court settlement conferences, drafting pleadings, and drafting and opposing motions
- Assist borrowers pursuing loss mitigation options, including loan modifications
- · Advice and Counsel

The Project is part of the HOPP network, a Statewide coalition that includes HUD-certified housing counseling agencies. As such, we will make referrals to and collaborate with HOPP-funded, non-profit housing counseling agencies. Clients must reside in the homes subject to foreclosure and have low to moderate income for Long Island, as annually set by HUD. To be screened for services, Nassau County residents can call 516-292-8100, Suffolk residents West of 112 can call 631-232-2400, and Suffolk residents East of 112 can call 631-369-1112.
