

NLS is now a regular site for the Nassau-Suffolk Hospital Council's Navigator Enrollment interviews. Anyone looking to apply for Child Health Plus, Medicaid, **OR ENROLL INTO A QUALIFIED HEALTH PLAN IN THE NY STATE OF HEALTH INSURANCE MARKETPLACE** can be referred to one of the sites.

Nassau-Suffolk Hospital Council sites operate on a **first come, first serve basis**. Please see [the attached schedule](#) for site locations in [Nassau](#) or [Suffolk](#).

If people prefer to make an appointment they can call one of the following agencies to meet with a Navigator on Long Island:

Community Service Society of NY – 1-888-614-5400

Public Health Solutions – 1-646-632-5986

People can also **enroll by phone** by calling NY State of Health Customer Support: **1-855-355-5777**

Nassau-Suffolk Hospital Council has a **NEW** application assistance program for the **aged, certified blind, and certified disabled populations**. It has partnered with Suffolk County Department of Social Services in a grant with the NYS Department of Health to target these special populations in Nassau and Suffolk counties. These sites are **different from the Navigator program**, which helps people apply for Medicaid based on MAGI rules through the online NY State of Health insurance marketplace. **This program is designed to help those who are eligible for Medicaid based on non-MAGI rules complete the paper Access NY and Supplemental A applications that are submitted directly to the local districts**
